**NOTES:** 1. The U.S. Department of Defense Education Activity may adjust its child supervision requirements for off-post bus stops if deemed necessary according to local security and safety indicators. School administrators and CYS personnel will inform parents of any local deviations from the requirements in this table. 2. Country-specific or local community guidance applies and is available through the Army Community Services FAP. Youths who wish to babysit (siblings or others) are encouraged to complete the Red Cross Babysitters Course. The number and ages of other children present need to be considered. 3. During the summer, children are considered to be in the grade they just completed until the first day of their next school year. 4. These guidelines do not apply to high-school students who are age 18 or older, nor do they apply to married dependents under the age of 18. 5. Homeschooled children will be considered to be in the grade that is consistent with their age (table 2)
